

Must have:

- Daily logging of behaviors
- Timers to keep people responsible
- Encouraging messaging

Should have:

- Encouraging messaging
- Addiction helpline link/ contact info

Could have:

- A mascot of some kind

Won't have:

- Punishments
- Negative reinforcement

Statements:

- 1). The app should be encouraging by using positive reinforcement
- 2). Apps should use a way to track daily logs of what they did or didn't do.
- 3). Timers should be visible to show progress.
- 4). Apps should be easily readable and not crowded and over stimulating.
- 5). Advice and motivation should be given to participants.

Questions about website:

- What is the main element (timer, logging, goal)
- Color scheme
 - Light blue, purple
- Main "mascot"
- What pages do we need
- Which blueprint drawing are we following the most
